

## Adult Training (Speech Certification and Executive)

A specially designed curriculum will be created to fit the levels and needs of the trainee. It can be in a group setting or on an individual basis.

For those interested in this field to pursue a certification with the UK examining bodies, a teacher training course to prepare individuals can be conducted for this.

Louisa G H Ong has trained teachers who are pursuing their certification for Guildhall School of Music and Drama, London College of Music and London Academy of Music and Dramatic Art.

She has held workshops for pre-school educators at YMCA (Stevens Road), AECES, PCF centres, church lectors and overseas at Vietedutech in Hanoi, Vietnam.

Executives have trained under her for personal individual training to prepare themselves for interview, AGMs and important events.
